We are the stars of station WDHS-TV. After years of hard work and study, we finally have gained fame.

Our path has not been easy; we have often become discouraged, but always there have been our parents, our teachers, and our friends to help us when the going was rough and to rejoice with us now as we revel in the glory of our dreams come true.

Motto: "Build today for tomorrow is ours"
Flower: White rose

We are the understudies. For years we, too, have prepared ourselves for stardom, but as yet we have not been given the opportunity to display our talents.

We are not disheartened, though, for we know that time steadily passes and that our golden chance is in the not too-distant future.

Motto: "Tomorrow will prove today's ambitions."

STUDENT ACTIVITIES

SO PROUDLY WE HAIL

STUDENT COUNCIL

"Our staff includes many people without whose help we could not maintain this station. Always behind the scenes, they carry out their tasks patiently and efficiently for your benefit and comfort.

"Besides our directors and managers, we have a group known as the COUNCIL, which represents you, the public. Its members serve as our publicity agents, reference files operators, program planners, grounds keepers, traffic agents to prevent channel jams, and planners for the social events which concern both you and station WDHS-TV.

"Thus it is to those workers that we refer when we say:

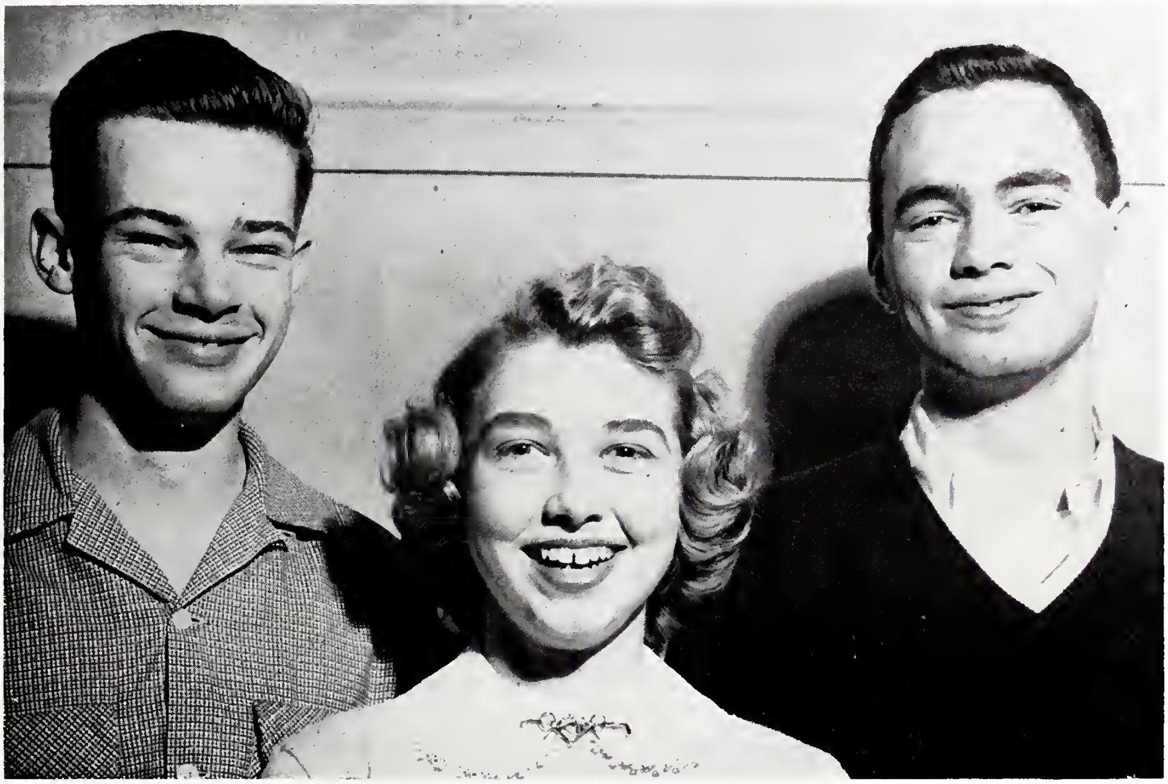
INTER-CLUB COUNCIL

MR. PRESIDENT



INTER-CLUB COUNCIL OFFICERS
Carl Cooper, Betty Lloyd Amis, Edgar Fisher.

One of the most frequent scenes around a television studio is that of transcribing and filming programs which will be shown to the public sometime in the near future. As the time at all studios is definitely limited, some of this filming could very possibly take place early in the morning before the actual programs begin. Such is the case this morning as . . . .

"Transcribing — transcribing — Silence! Film ready? Okay, let her roll!"

"This is B. D. N. announcing your weekly program, '*Mr. President, You're On the Air and Screen!*' This week we shall have a panel discussion on several (several?? millions!!) of questions which have arisen in various organizations."

"Mr. President, do you think such drastic moves as these are advisable?"

"Mr. President, do you think that issue serious enough to require the work of a special committee? If so, who will appoint this committee?"

"Mr. President, what are the plans you have mapped out for the support of the COUNCIL's budget?"

"Mr. President, what are the problems which have come up and which are causing inter-club worry?"

"Mr. President—Mr. President—"

"CUT!"

"Hello again, this is L. M. Brogden with the news. I have just returned from an extensive trip covering the literary fronts of the nation, and it is my considered opinion that comic books and movie magazines are on the wane. Television and radio guides, however, are gaining popularity. Shorter and lighter novels are all the rage, and I predict that my sponsor's newest volumes will soon reach the top of the best seller lists. Listen tomorrow when I'll return with more of the latest."

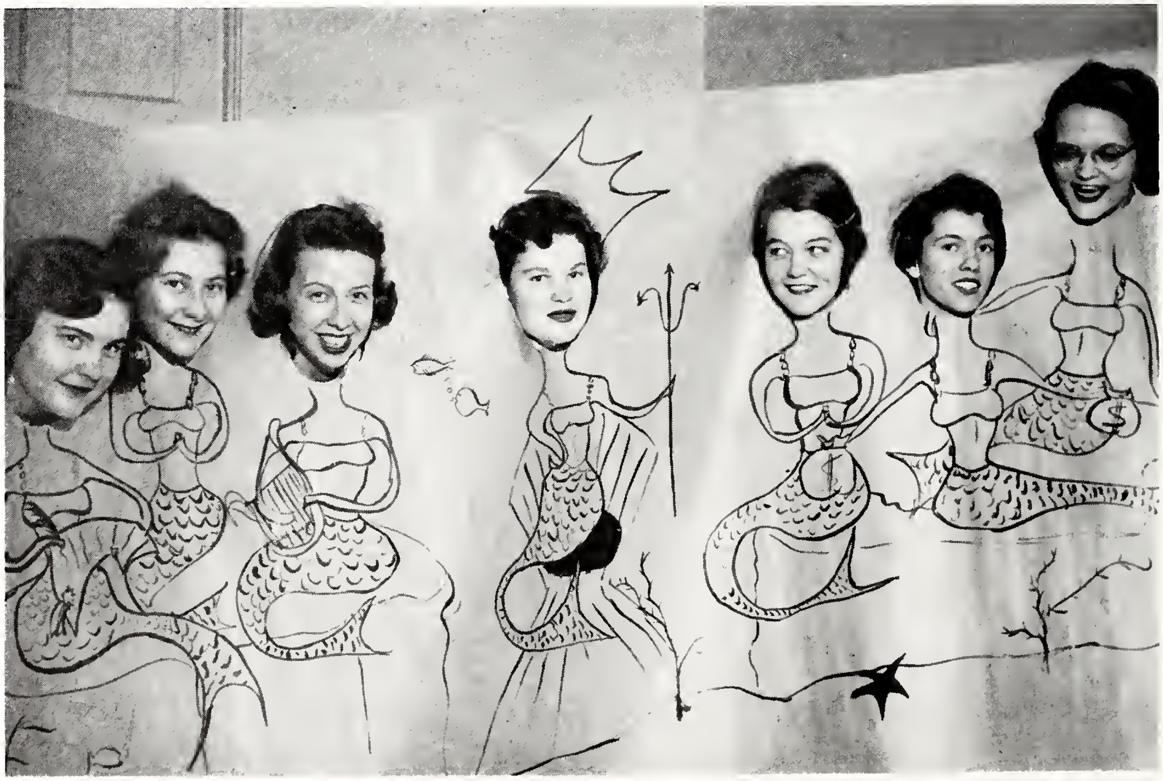
SENIOR Y-TEENS

At this time we bring you *Oceanic Forum of the Air*, an informative panel discussion with Basswood McFish, author of "Great Oceans Above!", as our moderator. Today's topic is "Characteristics and Peculiarities of Inhabitants of the Oceanic Underworld.". Our panel is composed of seven lovely mermaids, brought especially for the occasion from the waters of the YWCA. Among the many long-unanswered questions to be discussed are: How did you girls get in the swim? How many fins in your five dollar bills? What did Davy Jones keep in his locker?

Before we introduce our panel, we bring you this word from our sponsor, the makers of Billy Bailey Diving Bells. Friends, do you wish to explore the briny deep? With one of our famous underwater implements, you can. Now for a limited time only, we bring you this fabulous bargain: with the purchase of every five Billy Bailey Diving Bells you will receive absolutely free one genuine octopus whistle. Now, back to our show.



MEMBERS

Wanda Henry, Gerry Kaplon, Pam McDonald, Pat Moore, Joan Anderson, Faye Smith, Rachel Vosburgh.

JUNIOR Y-TEENS 6:00 A. M.

MEMBERS

First row: Mary Harrison, Judy Clark, Sarah Umstead, Phyllis Cadell, Jean Gerard. *Second row:* Sylvia Grady, Mary Miles Bridges, Carolyn Strickland, Jane Faucette.

"This is the right time and the right place on your TV set for the daily program, *Learn to Knit* brought to you as a community service by your Y-Teen friends. This is the program where all women can learn how to knit socks for their menfolk. Yesterday we stopped with the knitting needle paused in midair ready to take the next stitch. Do you have your knitting ready? Is the wrong side of the sock in back of you? Now watch closely and you will see how to take the next step in the sock you have been knitting for the past six and a half months. Did you see how that was done? No, because a car passed your house just as we were taking it and your TV picture flickered? Well, let's try once more. Did you see it that time? No, because you had to duck to keep from being hit with Junior's flying saucer?

"Our time has run out, so we shall just have to wait until tomorrow to try again. Remember . . . . 'Knitting ventured, knitting gained!' "

MESSENGER 11:00 P. M.

"Before tonight's *Sports Review*, the script-writers of WDHS-TV would like to take a station break to bring the following announcement:

"In order to establish this station for our public, it has taken a great deal of sweat and tears, plus a bit of planning and hair-tearing. Sometimes we even felt that being backed against a stone wall would have been the lesser of two evils. Without a doubt, though, we have really enjoyed our work and greatest of all is the joy we feel upon seeing the product of our efforts completed.

"We hope the station will be a successful one, for here it stands—to be overhauled, criticized, torn apart, and generally slaughtered by one and all, especially by next year's staff . . . . "

"Hello theah! This is Rendy Rarren beginning tonight's *Sports Review* with a report on a bit of fashion work done by our feminine athletes.

"Leitner's girls, alias the Screaming Demons, have really fixed that little ole gym in a most fashionable way. They added plaid curtains and cushions of sunrise pink, and have replaced those string basket-like objects with ones of lace.

"My next report is another concerning more interior decorating by our dainty athletes, so hold on . . . . "

"In continuing with mah sports bulletin, Ah would like to tell you all what these of the G. M. C. have done. They have covered those horrid lines on the floor with scatter rugs and have hung pictures all along the fold-away bleachers. Rally, it has given the lovely place a much more homelike atmosphere, and it's a shame the members of the B. M. C. don't seem too enthusiastic about it all.

LINOTYPE · MONOTYPE · HAND COMPOSITION

We have all 3 Types of Composition

When setting type we give due consideration to the ultimate purpose . . . In deciding whether to use linotype, monotype or hand composition, we first ascertain the function of the particular piece of work. Each method was designed for a specific service, therefore initial cost is beside the question. We shall be glad to assist you in deciding which of the three will do the best job for your particular problem. Our composing room service is planned for today's demands.

And The Best . . .
Shall Be Yours

DURHAM ENGRAVING CO.

Johnny,

We've had lots of good times together haven't we. Remember Transylvania (as if we could forget)? We've disagreed; we've come close to blows sometimes; I've ruined an otherwise enjoyable geometry class for you; & more than once I've been so disgusted with you & your pals that I couldn't stand to stay at the same table with you.

But, I believe, underneath all this, & running strong all the time, was a current of true friendship that all these trivialities couldn't turn.

Best luck always, old man!

John Cartwright

Dear Johnny,

Well sir ---- we've had some wonderful times together. If I haven't died from convulsions yet (at laughing at you) I reckon it isn't because I haven't had plenty of chances. Darn, you can make a giggle out of sad sack. Don't ever lose your sense of humor. Please come to camp next summer. You play fine bassoon and don't let [illegible] people like Plester discourage you. You're worth ten of Plester. I leave an immortal poem to you to remember me by.

you forget I was crazy all the time, didn't you? Well, now you know. Seriously, Johnny, I liked you very much --- more than I've shown, [illegible] [illegible] sophomores seem to disappear at my [illegible] Well, that's that. Take care of yourself.

Sincerely,
"Maggie"

I'll never make it.

Johnny,
I have enjoyed loads knowing you these many (?) years, and I'll see you next year!!!
Be good (if possible)

Luck always,
Bev.

Dear Johnny,
Since you are nuts anyhow, it has been real nutty knowing you. I'm happy it's Transylvania for me.
Hope

Whoops - pardon me.
you're not going to Transylvania.
good luck

what a mess I've made but

Take care

Practice on your baboon during the summer
